

HEATHER WHITE

Author, CEO, Consultant

KEYNOTE ADDRESS:

INDIVIDUAL CLIMATE ACTION AS DRIVER OF CULTURE CHANGE

THOUGHT LEADER & ADVOCATE

Heather White is a national thought leader on climate policy action and the mental health impacts of the climate crisis. Her dynamic, approachable speaking style and more than 20 years of environmental advocacy experience translates into engaging presentations and discussions how on individual action, self-discovery, and service leadership can drive culture change for broad scale climate policy solutions. The founder & CEO of the nonprofit OneGreenThing, White is a frequent spokesperson in the national media has been featured on *Good Morning America*, *CBS*, *NBC*, and *Fox News*, quoted in *The Washington Post*, the *New York Times*, and *The Guardian* and has testified before Congress. Recent talks include the United Talent Agency, VF Corporation, McCormick Spices, All-Tech Corporation, University of Tennessee Law School, Catawba College, the Plastic Pollution Coalition, and the Nashville Bar Association.

"As you pass through this world, what will your legacy be? How will you apply your Service Superpower? What will your future loved ones thank you for? You can start today. Right now. We need you in climate action. And so do they. "

- HEATHER WHITE

White's twenty-plus years of service include working as a litigator at a prominent Nashville law firm, a campaign staffer and recount attorney for Al Gore's 2000 presidential campaign, the environmental counsel to United States Senator Russ Feingold, and an adjunct law professor at Georgetown University Law Center. White directed environmental education advocacy at the nation's largest conservation organization, ran an environmental health watchdog in Washington, DC, and led the nonprofit partner to Yellowstone National Park.

"Heather is the Brené Brown of the environmental movement."

AUTHOR & CHANGE MAKER

Heather White is the author of *One Green Thing: Discover Your Hidden Power to Help Save the Planet*, published by Harper Collins in April 2022. In this revolutionary call to action, unlock your superpower through a daily practice of sustainability. White's Service Superpower Assessment offers an exciting tool for attendees to explore their unique strengths in service and apply them to climate action. Everyone is welcome; everyone is needed to create a healthy, just, and vibrant future.

White's book offers an easy-to-follow guide for climate action while brilliantly weaving together warm and funny stories from her childhood in East Tennessee, anecdotes from 20+ years of environmental advocacy, and scenes from parenting two GenZ daughters in Bozeman, Montana.
